[The Queen City Ultimate Underground Tour](#) is a fantastic way to become acquainted with the beautiful Queen City. It is also a great way to learn a thing or two that even the locals don't know. It is also a good excuse to walk through underground tunnels and breweries, and to explore old, abandoned churches and German tenement buildings. Got your attention yet?

American Legacy Tours offers so many wonderful options people to experience a bit of history, a piece of the paranormal, or even walk in the shoes of notorious gangsters. These are professional tours with knowledgeable guides who don't drone on and on for days, but actually know just how to tell a good story. With reasonable prices and convenient schedules, there is no need to search for alternatives. You would be hard pressed to find one anyway!

The Underground Tour mixes history, beer, and politics to perfectly craft a

90 minute adventure that you will never forget! Exploring the Over-the-Rhine area is a check on any history buff's list, and the hidden crypts and underground tunnels will pique the attention of the explorer. Ending at the Christian Moerlein bottling plant and tap room is a stroke of pure genius, because who doesn't want to have a beer and recount the excitement that was just experienced?
