

## Hollywood Wax Museum

By Angela Ash

**The Hollywood Wax Museum is not to be missed! This is easily one of my absolute favorite attractions on the boulevard, and it isn't difficult to see why! This museum is the longest running wax museum in the entire country. So you had better believe that this is the real deal!**

**These figures are almost unreal. Offering the opportunities to pose with icons like Marilyn Monroe, Elvis Presley, and Charlie Chaplin, this museum offers photo experiences like no other. And let's face it, ladies, the unfortunate fact is that this is probably as close as we will ever get to Johnny Depp, so let's take advantage of it!**

**Located just across the street from the Guinness World Records Museum, visit both and have a night to remember!**
