The Tun Tavern is Atlantic City's only brewery and restaurant, with handcrafted beer and delicious, gourmet cuisine in a fun, casual atmosphere. Serving lunch and dinner, and steps away from outlet shopping and the convention center, this is a fantastic place to dine!

The menu is extensive, featuring tasty starters like Brew House Chili, Crispy Calamari, and a selection of salads.

And when you are ready to move on to the main course, the Build Your Own Burger is 8 ounces of Angus beef, topped in so many ways that your mouth will begin to water contemplating your choices. Also try the Reel Fish and Chips or the Peggy Mullen steak!

But make sure to save room for dessert, because the root beer float is just the way to end a wonderful meal.□

As that this IS a brewery, you will most definitely want to order the Tun Tavern Handcrafted Beer Sampler, five tasters of the infamous Tun Tavern Beer.
