By [Angela Ash](#)

When you think that you have seen it all, then you are just daring [Ripley's](#) to prove you wrong! Located right on the Boardwalk, this Odditorium houses items and artifacts that you literally have to see to believe... and then some.□

You can see a hand carved miniature chateau, a shrunken head, the life mask of Lincoln, and bizarre art and images that will have you completely amazed.□

Many exhibits are interactive, so you never know when you will unknowingly become part of the entertainment at Ripley's!
