Now, a vacation in a wonderful place like Clearwater Beach deserves the perfect hotel pairing. The Holiday Inn Hotel & Suites is located right on the sparkling Gulf of Mexico, and it is just waiting to welcome you with its comfortable rooms and seemingly never ending amenities.

This Mediterranean styled property is literally bursting at the seams with everything a traveler could possibly want or need in their "home away from home". The accommodations range from poolside or Gulf-view guestrooms that can comfortably sleep a couple or a family of four. However, if you have something a little different in mind, it also offers suites with a full living room and kitchen area. And for a real getaway, stay in a family suite, complete with a separate space for the kids, with their own bunk beds, tv, and vanity area. All of the rooms are large and comfortable, making it extremely easy to settle in for the weekend or the entire week!

This beautiful Holiday Inn is right on the Gulf, with a lovely sundeck area reaching out across the water, adjacent to the blue ripples of the swimming pool and the lively libations of the tiki bar, where you can rest the day away as you hear the waves gently come in. Ready for some beach time? Less than 500 steps will place you on the sugary white sands of Clearwater Beach!

And when hunger calls, dine Gulf-side at the onsite restaurant, and experience delicious food, mixed with the breathtaking views of the sunset. There is even a coffee house and ice cream shop, conveniently located right off of the lobby.

With plenty of activities for every member of your family, this is the ideal location to call your "home base" on Clearwater Beach!
