

## Steel Pier

By [Angela Ash](#)

Stretching out over the Atlantic Ocean, the World Famous Steel Pier has been thrilling Atlantic City residents and visitors alike since 1898. It is legendary for the Diving Bell and the infamous Diving Horse, and numerous other entertainers and rides that offered an escape from the everyday routine.

While its attractions have progressed to the likes of the SlingShot, the

Crazy Mouse, and the Mix, the fact that it continues to draw in crowds along the Boardwalk has not changed. They come to take a chance at a game for a giant stuffed bear, or to eat a plethora of tasty creations that come served on a stick.

They come to experience the classic, unique feel that is Atlantic City's Steel Pier.
