

Steamboat Natchez

By **Angela Ash**

A visit to New Orleans without rolling down the mighty Mississippi River would be like leaving Mardi Gras without any beads. And what better way to see its splendor than on the last authentic steamboat to traverse its waters!

The Natchez offers a variety of cruises, whether you would like to experience a casual lunch buffet while taking in the sights, or tap your toes to a lively Jazz Brunch cruise. However, if you want to experience the most romantic night that New Orleans has to offer, then make your reservation right away for the Dinner Jazz Cruise!

With a plentiful buffet, featuring favorites like Southern Fried Fish, Pork Loin, Beef Bourguignonne, and File Gumbo... all of the tastes and flavors of traditional New Orleans blend with the soothing strains of the Grammy nominated Dukes of Dixieland, as you pass the breathtakingly beautiful city skyline.
