

[Audubon Zoo](#)

By [Angela Ash](#)

Another fantastic part of the Audubon Institute in fascinating New Orleans, Louisiana is the Audubon Zoo!

Set in a relaxed atmosphere, beneath living oak trees that offer their shade and beauty, this zoo offers plenty to entertain the entire family. The Louisiana Swamp and the Jaguar Jungle offer spectacular looks into interaction between humans and animals, while plenty of other areas, including the sea lion and elephant presentations, amaze and delight

visitors of all ages!☐

For more information, visit the Audubon Zoo [online](#) , or call (504) 861-2537.
