

This was one of the best weekends I have had in a long time! From the kids having an absolute blast at Planet Snoopy, to reliving the excitement of the Beast, this amusement park is not to be missed! I have never been a bit squeamish on roller coasters, but I admit, the Diamondback and Firehawk give me a slightly different perspective. These are, hands down, the two best coasters I have ever experienced. And strap into the newest coaster, the Banshee... and hold on tight!
